

CAPSTONE INTERNATIONAL CENTER

Student Application

Funding for International Activities (Non-Study Abroad)

Instructions

The Office of Academic Affairs and the Capstone International Center (CIC) are pleased to be able to offer limited funding to students who are participating in non-study abroad international activities related to their degree programs. Qualifying activities include, but are not limited to, attendance at conferences, presentations at conferences, internships, service-learning, and volunteering.

Funding: Approximately \$14,000 is available each fiscal year (October 1 through September 30). Awards normally range between \$200 and \$500. Awards are made on a rolling basis. If funds are depleted prior to September 30, no awards will be made for travel commencing prior to the beginning of the next fiscal year (October 1). Example: If all funds have been awarded as of July 15, a student participating in a conference between July 15 and September 30 will not receive funding.

The Capstone International Center reserves the right to award any or all of the available funds. In some instances, funds may be reserved and be awarded in a subsequent year.

Eligibility: To be eligible for consideration, an applicant must:

- Be a currently enrolled University of Alabama degree-seeking student.
- Have an overall grade point average of 2.5 or better.
- Explain how the activity relates to the his/her degree program and contributes to his/her academic career.
- Receive departmental or college financial support. This is required before funding can be received from CIC.

Application Deadline: Applications are accepted on a rolling basis. Complete the application on page 2 and return it to Dr. Teresa E. Wise, Associate Provost for International Education, in the Capstone International Center by email (cic@ua.edu) or deliver to 135 B.B. Comer Hall; Box 870254; Tuscaloosa, AL 35487. Award recipients will be notified approximately 2 weeks after the application is received.

After you are notified of the award, you must provide receipts verifying your expenses in order to receive the funding. These should be provided to Ms. Vickey Phillips in the Capstone International Center via email (vickey.phillips@ua.edu).
